2015 Holiday LED Light Exchange

Celebrate the holidays while being energy efficient!

Join San Bernardino Associated Governments (SANBAG) at one of the local community events identified below to exchange your old holiday lights for energy efficient LED holiday lights.

This opportunity is available at **NO COST** to all Southern California Edison (SCE) residential customers in San Bernardino County.

100 exchanges will be available per event, first come, first serve!

Participating is easy! Locate an event near you!

WHAT TO BRING:

...up to TWO inefficient, incandescent holiday light strands, in exchange for up to TWO 100 count LED holiday light strands. Old, inefficient, incandescent holiday light strands must be 50 count or higher, still work, and contain all bulb parts.

...a copy of your monthly SCE bill (electronic bill will be accepted).

...a license or photo identification matching customer name and address on the SCE bill.

**To participate in the exchange, all three requirements above must be met.*
